Summer 2007

Camp G.R.A.C.E.
Growth Recognition Achievement Character Encouragement

Mission: *To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.*

Vision: *To create an inter-related group setting in which children feel safe, accepted, and valued. To enrich the quality of life for the participants and their families. To meet specialized needs of the participants in a camp setting incorporating therapeutic ideals.*

Camp G.R.A.C.E. is a day camp designed for children with Pervasive Developmental Disorders (PDD) or Autism Spectrum Disorder. The camp has been designed with the help of an advisory board composed of many professionals who are currently working in the area of autism, as well as parents of children with autism. Individuals from the following organizations have donated their time and expertise in the formation of Camp G.R.A.C.E.: A Small Miracle, Inc., the Autism Society of North Carolina, Community Partnerships, Maxim Home Health, and independently contracted Behavioral Psychologists. Along with the Advisory Board, we have continued support from these organizations as well as the Raleigh TEACCH Center to assist in the comprehensive training of the staff. It is through the generosity and dedication of all the above-mentioned organizations and individuals that we are able to provide Camp G.R.A.C.E.

The A.E. Finley YMCA is partnering with A Small Miracle, Inc. to assure that a qualified professional in the field of autism is on staff and offering leadership to Camp G.R.A.C.E. A Small Miracle, Inc. is a CAP-MR/DD service provider that currently provides services in more than 20 North Carolina counties. Together, our goal is to provide the best possible care and camp experience for your child. While A Small Miracle, Inc. will be providing assistance and guidance to the camp, ASM does not receive any funding from the partnership. All proceeds go directly to benefit the camp.

Camp G.R.A.C.E. will incorporate therapeutic ideals from many disciplines: therapeutic recreation, TEACCH, Applied Behavioral Analysis, Verbal Behavior, and Sensory Integration. Camp G.R.A.C.E. is not a mental health program or a treatment program. While our staff will attend introductory trainings in these disciplines, we are not designed to implement therapeutic programs. Our goal is for the staff to have an understanding of these methods, and to incorporate these ideals into daily activities. We are not staffed to handle children who demonstrate physically aggressive or sexually inappropriate behaviors. We will do our best and consult professional resources; however, if such behaviors do arise, your child may be asked to leave the program.

Each session of Camp G.R.A.C.E. will run for two weeks, with each session focusing on building specific skills. Camp G.R.A.C.E. will begin on June 18, 2007 and will run through August 10, 2007. The camp will run Monday-Friday, from 9:00-2:30 for children ages 6-13. Camp G.R.A.C.E. will be on site at A.E. Finley YMCA. We will have alternating two-week sessions: Social Skills and Building Blocks. Social Skills sessions are designed for children that do not require one-on-one assistance (1:3 ratio); the focus of these sessions will be on activity skill building, inclusive activities, and social situations. The Building Blocks sessions are designed with a smaller ratio (1:2 ratio) to allow for more individual attention. The goal is to break down the activities in our smaller groups and work on teaching the basic skills. The ratios have the possibility of being closer to 1:1 in each session with additional volunteers.

The first week of camp, the children will be working within their huddles (groups of 5-6 children) to learn the skills of the games. The first week will also include specials: music intervention, horseback riding, and activities suggested by an art therapist. The second week, Camp G.R.A.C.E. participants will continue to build on the skills both within their huddles as well as through inclusive activities with Finley Day Camp. The children will have water activities everyday (swim time, slip-n-slide, sprinkler time, etc.) and participate in activities that incorporate sensory integration.

We will begin accepting applications on January 29, 2007 for A.E. Finley or Triangle YMCA members, January 30, 2007 for returning campers, and will be open to all program participants on February 5, 2007.

The application deadline is February 15, 2007. Acceptance to Camp G.R.A.C.E. will be on based on a lottery. The lottery will be held on February 16, 2007; parents of all campers who have been accepted will be notified by February 19, 2007. In addition, we will also notify families who have been placed on a waiting list. In the event that a family withdraws from their session, we will refer to the waiting list to fill the position. Families will be placed on the waiting list in the order that they are drawn. Following notification of acceptance to camp, Parent Handbooks will be available at A.E. Finley YMCA. The Parent Handbook contains information regarding policies, procedures, and guidelines. **Additional forms within the handbook will also need to be completed and returned prior to admission into camp.**

We will require a supplemental application for the Play Pal who will be attending with your child. That application will contain emergency information for the Play Pal and contact information from their agency. A background check will be required for every individual worker sent with a child. To facilitate your child's transition into camp, we will require all Play Pals to attend an introductory meeting during which we will supply a manual that covers the daily schedule, policies, and expectations, as well as answering any questions. **All staff, volunteers, and Play Pals will be required to submit to a background check to ensure the safety of the children. Due to this we will require one week notice of Play Pal information; this will ensure we have enough time to check all Play Pal's backgrounds' also.**

In order to maintain a low ratio and to decrease the cost of the camp, our staff will consist of college interns. We are working with several area colleges to obtain interns. The staff will attend intensive training prior to the beginning of camp. The training will be comprehensive and include topics from many therapeutic areas. We are working with NC State, UNC, and Shaw and their internship programs.

Program Description:

Social Skills Sessions:

Social Skills sessions are designed for children who do not require one-on-one assistance (1:3 ratio); the focus of the session will be on activity skill building, inclusive activities, and social situations. We will work on building individual skills and also incorporating teamwork.

The participants of this session should be able to do the following:

- Communicate Clearly
- Follow Complex Instructions
- Participate in Group Activities
- Independent Self-Help Skills

Building Blocks Sessions:

The Building Blocks sessions are designed with a smaller ratio (1:2 ratio) to allow for more individual attention. The goal is to break down the activities in our smaller groups and work on teaching the basic skills. This session is developed for children who need more hand-over-hand assistance and more simplistic instructions.

Examples of Activities (which will be adapted for Social Skills and Building Blocks sessions):

The following are examples of activities that are incorporated into the weekly schedules. Please note, the activities will be adapted to meet the needs and skill levels of the children.

- | | |
|-----------------|--------------------|
| Scooters | Slip and Slide |
| Soccer | Arts and Crafts |
| Bean Bag Games | Imitation Games |
| Tag Games | Water Games |
| Relay Races | Music Intervention |
| Finger Painting | Ball Games |
| Parachute Games | |

Assemblies:

Assemblies are large group activities that occur at the beginning and end of each day. For the Social Skills sessions, we will have songs, skits, and mini competitions. For Building Blocks, we will use the assemblies as cues to help the children understand the routine of the day. We have incorporated techniques suggested by a sensory integrationalist into assemblies: using large muscle groups, rhythms, and repetition. Since we are located in the outdoor structure, the noise level is not contained and there are limited reverberations; children who are sensitive to noise and large groups have the ability to move farther outside the group while still participating.

Devotions:

Devotions are activities in which we try to incorporate the character traits of the YMCA: Caring, Respect, Responsibility, and Honesty. These activities will also be adapted to the skill level of the children and can include: skits, social stories, coloring activities, sharing activities, etc.

Camp Schedule

With the description of the sessions in mind, please indicate which session you think would be the best fit for your child. Please specify the dates that you would like your child to attend. If your child is not selected in the lottery for your first choice, then your application will be placed in the lottery for the dates of your second choice.

YMCA 2007 Youth Programs Policy

Please read each of the following policies and sign below to indicate your understanding of these policies.

Waivers/Permissions:

1. I permit my child to participate in activities the YMCA conducts outside the fenced-in play areas at YMCA facilities.
2. **Field Trips** – During the Camp Grace sessions in summer 2007, we will not be taking any field trips or going off site for any activities.
3. **Photography** – I permit the YMCA and A Small Miracle, Inc. to use images of my child as a YMCA Camp G.R.A.C.E. program participant in internal and external promotional material. This includes any printed material, broadcast and print advertising, promotional videos, the YMCA and A Small Miracle, Inc. web sites which are produced or published by the YMCA or A Small Miracle, Inc. I also permit the YMCA and A Small Miracle, Inc. to use images of my child in broadcast and print media news coverage of the YMCA and Camp G.R.A.C.E. I understand that my child's name is not published.

Payment Policies

I understand policies concerning payment, cancellation and refunds. I may not register my child for a new program until outstanding balances due on past programs at any YMCA of the Triangle Area are paid.

4. **Insufficient Funds** – If my bank returns a draft or check, due to insufficient funds, immediate payment is required to keep my child's account up to date. I understand that I will be charged \$25 for each returned check or draft. I will need to send cash, money order or a certified check for the draft or check within 10 business days after I receive a notification letter from YMCA Financial Services. Personal checks will not be accepted. Payment in full is required before my child can continue to participate in YMCA programs. If I have two returned drafts or checks within a six-month period, I will no longer have the bank draft privilege and will be required to pay program fees in full, in advance.
5. **Cancellations:** Non-attendance, without written cancellation, does not relieve me of the responsibility to pay for the program. I will refer to the registration receipt for details on specific program cancellation policies.
- Bank draft participants** – I understand that I must cancel, in writing, 30 days prior to date of bank draft in order to stop payment.
6. **Refunds** – I understand that non-attendance does not entitle me to a refund. I understand that no refunds or adjustments are granted for illness, vacation or when YMCA programs are cancelled due to inclement weather. All refunds or program credits given for other reasons are issued on a prorated basis. I understand that the YMCA reserves the right to apply any credit due to other outstanding balances. Refunds are issued within 45 days of cancellation. Program payment is not transferable from one YMCA program to another nor from one YMCA branch to another.

Medical Treatment Policies

7. **Accident Insurance** – Participants are responsible for their own accident insurance when using the YMCA and when participating in YMCA programs off-site.
8. **Medication** – The YMCA does not normally administer any medication and will do so only when directed in writing by the child's parent or guardian. Notice: The staff of The YMCA of the Triangle Area will not administer shots or medications that have to be inserted into body cavities. The one exception to the forgoing is epipen injections. When special circumstances exist, personnel from the YMCA will be available to meet with the parent(s) or guardian(s) of the child in question and strive to develop through dialogue a mutually acceptable alternative way to make sure the medication requirements of the child are met.
9. **Blood Borne Pathogen Exposure** – I understand that, while my child is in the care of the YMCA, if a child is exposed to a body fluid on broken skin or mucous membrane, (e.g. splashing in mouth or eye), from another child, the YMCA will contact the parents of both children. They will explain what has occurred, and then provide the name of the attending physician of the source child to the parents of the exposed child. If a staff member has a blood or body fluid exposure from a child, the YMCA will provide the name and telephone number of the child's attending physician to the staff member. I have read and agree with the statement and specifically authorize the YMCA to release the name and telephone number of my child's physician, and a description of the event to the parent or guardian of any child who is exposed to blood or body fluid or any staff member who experiences such an exposure from my child.
10. **Emergency** – In the event of an emergency in which the parent or guardian cannot be contacted, the YMCA will contact emergency medical personnel and pending their arrival, take those actions that are in the YMCA's judgment in the best interest of the child.

Program Policies

11. **Babysitting Policy** – The YMCA strives to employ the very best staff possible in all of our programs. During staff time-off or after they are no longer employed with us, these persons are private citizens and no longer subject to our employment rules and procedures. The YMCA cannot and does not endorse or recommend its present or former staff members as babysitters to any parent or guardian of any child in any of our programs. Any babysitting arrangements with present or former staff of the YMCA is separate and independent from any YMCA program and must be based on the independent investigation, responsibility and judgment of the parent or guardian. I agree that the YMCA shall not be responsible and will be held harmless from any claims or liability in connection with such babysitting activities.
12. **Licensing** – The YMCA of the Triangle Area Tracking Out programs are the only licensed programs by the State of North Carolina due to care being provided on a regular basis of at least once per week for more than four hours but less than 24 hours per day from persons other than a parent or guardian.
13. **Inclement Weather** – I understand that programs are not available when school is closed due to inclement weather. This includes all Tracking Out, Early Arrivals, After School and preschool programs.

2007 Behavior Expectations and Discipline Policy

It is important that staff maintain good order and discipline in all programs. Top objectives in all YMCA programs are safety and a positive atmosphere for learning and developing social skills. The YMCA makes every effort to help children understand clear definitions of acceptable and unacceptable behavior.

The YMCA does not condone and will not permit:

1. Corporal punishment
2. Ridiculing, threatening, using an inappropriate loud voice
3. Leaving children unsupervised
4. Use of profanity

A child's behavior is expected to be consistent with the following:

1. Use appropriate language at all times.
2. Cooperate with staff and follow directions.
3. Respect other children and staff, equipment and facilities, and yourself.
4. Maintain a positive attitude.
5. Stay in program areas—running away is not acceptable.
6. Participate successfully within the YMCA staff-child ratios specific for each program

The Discipline Policy

1. If a child is unable to comply with the behavior expectations, a conference will be held by the program director with the child. The parent(s)/guardian will be notified in writing.
2. If after the above meeting the child is still unable to comply with the behavior expectations, the program director will set up a conference with the parent(s)/guardian. A behavior contract will be established and signed by the child (if appropriate), parent(s)/guardian and the program director.
3. If the child's behavior continues to be disruptive and/or unsafe, the child will be subject to suspension or dismissal.
4. Failure of the parent(s)/guardian to attend conference(s) and cooperate will subject the child to suspension or dismissal.

Behaviors which may result in immediate dismissal include but are not limited to:

1. Any action that could threaten or pose a direct threat to the physical/emotional safety of the child, other children or staff. Prohibited conduct may include, but is not limited to, abusive jokes, insults, slurs, threats, name calling, bullying or intimidation.
2. Fighting
3. Possession of a weapon of any kind
4. Vandalism or destruction of YMCA property or property of others
5. Sexual misconduct
6. Possession of or use of alcohol or controlled substances unless under the prescription of a doctor
7. Running away
8. Biting

Special Circumstances

Parents or guardians are required to inform the YMCA in writing, prior to a child's acceptance in a YMCA program, of any special circumstances which may affect the child's ability to participate fully and within the guidelines of acceptable behavior, including but not limited to any serious behavioral problems or special circumstances regarding psychological, medical or physical conditions.

Upon being informed of such circumstances, the branch director (or his or her designee, i.e., senior program director, youth director) may require a conference with the parent(s)/guardian to discuss issues created by these circumstances.

I understand and acknowledge that: (i) it is the responsibility of the parent(s)/guardian to make full disclosure to the YMCA of any special circumstances which may affect the ability of my child/ward to participate, as described above; (ii) it is the responsibility of the parent(s)/guardian to inform the YMCA of any requested accommodation believed by the parent(s)/guardian to be necessary and readily achievable for such participation; and (iii) full disclosure of any special circumstances is material to the YMCA's evaluation of the child's/ward's ability to participate and the YMCA's consideration of any requested accommodation.

Please initial, indicating you have read and understand the above:
